Minutes of the Council Meeting held on Monday 7 November, at 7.30 pm in the Lower Town Hall

Present Cllrs Adams (Chairman), Bridgeman, Handford, Marshall, Pritchard, Stannard, Taylor & Vendy. Also DCllrs Thompson & Brockbank, CClr Ireton, the clerk Mrs Burton and 4 parishioners

128.To Receive Apologies from members unable to attend

Cllrs Swales & Townson

129.To Receive & Record any member's Disclosable Pecuniary Interest in relation to items on the agenda and to receive and decide members requests for DPI dispensations

Cllr Stannard declared a personal interest in item 136.1.4, planning application 08/2016/17369, as a neighbour of the applicant.

130.To Receive Comment & Concerns

A resident expressed concern about the length of time the Post Office was taking to find an alternative to the current site, which started in 2012. Two years of negotiations with the Spar have come to nothing. The current incumbent has spoken to Julian Smith MP. She asked for the Council to consider writing to the Post Office asking them to move this item up their agenda. Council noted that this item was on the agenda – item 146.1

131.To Confirm the minutes of the previous meeting

RESOLVED: That the minutes of the meetings on 3 October be signed

132.To Receive the Clerks Report (for information only) – see end of these minutes

133.To Receive an update from the Drop-In (for information only) - none

134.To Receive the Police Report & allow members to ask questions for information

PC Parsons informed the meeting that there had been 49 incidents in Bentham in October, but only 2 road traffic accidents and 3 crimes (1 theft from a car, 1 domestic assault & 1 criminal damage). 15 incidents related to missing persons etc from the care homes.

Sgt Moorhouse said that the care homes, or more specifically Cedar House and The Glebe, do take up a lot of time. They were working with the residents to alleviate the problems. Antisocial behaviour has subsided. However as the older children move on and others move in this is an ongoing process. Regarding police numbers, staffing in the area will be maintained. The vacancies will be filled shortly with police officers moving in from other areas. He warned that 'cross-border' criminals from Lancashire etc would be more active with the dark nights and that residents should lock their doors in an evening. Two camera vans have been purchased to be based at Skipton with 6 staff to work in Craven all the time. This will improve speed enforcement in the area and also keep a check on bad driving e.g. mobile phones etc.

135.To Receive Reports from CClr & DCllrs (for information only)

CCllr Ireton said that work between Pioneer Projects and NYCC continued and the Business Case for moving the Library into the Looking Well was almost complete. Concerns regarding the work to be done in the building to make the space useable had been addressed and NYCC would fund these. The Community Infrastructure fund could also be used to top up if necessary. The aim was to move by April 2017.

DCllr Brockbank informed the meeting that the FOBL AGM would be on Thursday 24 November at 12.30pm and Cllrs were invited to attend. She reminded the Council that the Community Champions deadline was 13 November. She agreed to suggest a Business Award scheme to recognise good businesses in Craven. The Town Team were still looking for sites around the town to site public benches and Cllrs were asked to pass on any suggestions.

DCllr Thompson confirmed that the Waste Management Plan was progressing. He agreed to follow up Cllr Pritchard's request for a local site for the disposal of fluorescent light bulbs etc which had been lost following the closure of Toobys.

137. Highways Matters

137.1. To receive an update on the drain at Hillside Road

The camera had shown that the drain has been damaged. It will therefore require digging up and repairing.

137.2. To receive a request for assistance regarding parking on the front of the Horse & Farrier and the failure of NYCC to respond

Problems with maintenance and more especially parking had been brought to the Council by the owner of the Horse & Farrier. Despite clear markings on the deeds, the Land Registry had refused to register the area in front of the pub. As the building is listed, and the cobbled area included in the listing, the owners have always maintained the area. However inconsiderate parking in the area means that access to the carpark and houses down Duke Street is very difficult. Cars exiting the area need to get well into the road before they can see the traffic and pedestrians cannot walk between the cars.

RESOLVED: That the information be passed to Cllr Ireton to see if NYCC Highways have adopted the area and who is responsible for it.

137.3. To Consider and Note Highway Matters for Information

The missing bollard in the ginnel between Main Street and Cleveland Square was discussed. This has been reported to Craven who, despite installing the bollard, have claimed it is not their responsibility. The Council agreed to look at replacing it.

RESOLVED: That the Council look at replacing the missing bollard

The 'raised crossing' sign on Low Bentham Road is not illuminated as the solar panel is obscured by a tree.

RESOLVED: That the problem with the raised crossing sign be reported to NYCC Highways again

The street lights between Mount Pleasant and Pye Busk are going out at 10.45pm instead of midnight

RESOLVED: That Street Lighting be informed of the problem with lights on Mount Pleasant

The street name sign at the junction of Lakeber Drive and Robin Lane has fallen off

RESOLVED: That Craven's street naming team be informed that the sign needs re-fixing

The road surface at the junction of Station Road and Wenning Avenue is starting to break up

RESOLVED: That NYCC Highways be asked to look at the junction of Station Road & Wenning Avenue with a view to affecting repairs

Cllr Ireton left the meeting at 8.25pm

138. To Note the draft minutes of the Finance Committee meeting on 18 October, and consider recommendations

138.1. To consider the appointment of a part-time Administrator (paper F2016/04)

RESOLVED: That the Finance Committee proceed to advertise for a part-time administrator

139. To Approve the Craven District Council Budget Consultation 2017/18 response (paper 2016/12b)

RESOLVED: That the response to the Craven Budget Consultation is approved

140. To Receive confirmation that the Recycling Bring Site in High Bentham will be retained - received

141. To Consider the Craven Council Tax discount for unoccupied properties consultation and agree a response

Currently unoccupied houses have a 3-month discount on the Council Tax. Craven are considering reducing this to raise funds. The Council felt that landlords needed an incentive to keep unlet houses habitable and that a gap between tenants could be longer than the current 3-month allowance. It considered that there were efficiencies to be

made within the system and that the size of the discount could be reduced rather than the period of discount cut or removed.

RESOLVED: That the Council response be made reflecting the above preferences.

142. To Consider the Craven Co-mingling Recycling Consultation and agree a response

RESOLVED: That the Council agrees that comingling of recyclables and a fortnightly blue bin collection is a good idea

143. To Discuss the War Memorials at St Margaret's Church following the sale of the building following a meeting with Rev Russell

Cllr Stannard had met with Rev Russell. Following the sale of St Margaret's Church for housing various artefacts, including the war memorials, need to be removed from the interior. St Johns PCC – now Bentham Parish Church – have applied for a faculty to allow this to happen. The memorials will be moved to St John's Church where a new remembrance area for the parish is being created

144. To Agree the venue for Council meetings following the 2-month trial back in the Town Hall

RESOLVED: That the Council continue to meet in the Lower Town Hall

RESOLVED: That a suitable amplification system be considered to aid with hearing Cllrs above the noise of the exercise class above

Despite the part being easy to fit Stannah had refused to supply the necessary part without also fitting it. It was agreed that the light must be repaired. Stannah should be asked if the cost can be reduced by doing the work at the next service

RESOLVED: That Stannah be asked to do the repair at the next service with a possible reduction in cost

146. To Consider items of **Correspondence**

- 146.1. To receive an update from the Post Office confirming that Bentham Post Office will not move in to the Spar

Council agreed that the non-action was unacceptable. The Post Office needs to be more proactive in producing a forward strategy. There does not appear to be a process for interested parties to start a conversation or find out more.

RESOLVED: That a letter be sent to the Post Office asking them to be more proactive

148. Items for next meeting and minor items only

A request had been received from the new owners of Low Bentham School to lock the access to the Playing Field to prevent improper use. It was agreed that Council should padlock the gate
 A letter of thanks should be sent to the Bonfire Committee following a very successful event
 The January Council meeting will be on Wednesday 4, the Finance meeting on Monday 9 and the Precept meeting on Monday 16 January.

There being no further business, the meeting was closed at 9.20pm

149. To Resolve that in accordance with Section 1(2) of the Public Bodies (Admission to Meetings) Act 1960 and by reason of the confidential nature of the remainder of the business, the Public and Press to be excluded further from the Meeting, whilst tenders for Low Bentham Play Area be discussed and future actions agreed
 There was little to update Cllrs on. The purchasers' solicitors are waiting for a copy of a Deed of Grant to British Gas in 1988, prior to the gift of the land to the Council. RESOLVED: That an Open Spaces Committee meeting should be arranged when the sale has gone through, and all Cllrs invited to attend.
